

# FAST TRACK 8-WEEK PROGRAM FOR MEN TO GREATER INTIMACY & CONNECTION

*By Claire Flynn*

The purpose of this program is to help you identify who you are as a man. What do you need to unlearn to learn again to be the Intimate Loving Man you were born to be. It will help you balance your masculine and feminine energies so you will be more aware of your sexuality.

I will personally take you on this journey of addressing each of the modules that are relevant to you one at a time.

**While we are co-creating this self expressed program together as a team between Coach and Client I would like for you to communicate with me whatever else comes up for you along this journey.**

## MODULE 1

### Taking the first step towards deeper intimacy

From feeling confused and lost within your own manhood to having clarity and certainty in your direction towards greater confidence and passion.

## MODULE 2

### Experiencing the orgasms you never knew existed

From trying to reach a goal to orgasm to enjoying the pleasure in the moment and experiencing orgasms you never knew existed. Here you will learn about 5 types of orgasms you can have.

## MODULE 3

### Skills to overcome sexual performance issues

Are you feeling embarrassed if you ejaculate easy, taking too long or find it difficult to keep an erection? In this module you will learn to have the control to ejaculate or non ejaculate, you may also have full body orgasms.

## MODULE 4

### Get the most out of your intimate experiences

If you are feeling disconnected to your partner or you would like to attract a partner here you will learn how to manifest what it is you want in your life through orgasm.
